There is also hereby created a Westgreen Park Modifications Committee (herein referred to as the "Modifications Committee") (the New Construction Committee and the Modifications Committee being collectively referred to herein as the "Architectural Review Committees" or the "Committees") which has exclusive jurisdiction over all modifications, additions or alterations made on or to the residences and other improvements on the Lots within the Properties. No person serving on a Committee shall be entitled to compensation from the Association for services performed in such capacity, however, the Committees may employ, at the expense of the Association, one or more architects, engineers, attorneys, or other consultants to assist the Committees in carrying out their respective duties hereunder.

SECTION 2. NUMBER AND APPOINTMENT OF MEMBERS. Each of the Committees shall consist of three (3) members. The Committees shall have the right, exercisable at their sole discretion, to grant variances to the restrictions of this Declaration in specific instances where the applicable Committee in good faith deems that such variance does not adversely affect the architectural and environmental integrity of the Properties. A Committee may require the submission of such documents and items as it shall deem appropriate in connection with its consideration of a request for a variance. If the Committee shall approve such request for a variance, it shall evidence such approval, and grant its permission for such variance, only by written instrument addressed to the Owner of the property relative to which such variance has been requested, describing the applicable restriction(s) and the particular variance requested, expressing the decision of the Committee to permit the variance, and describing (when applicable) the conditions on which the variance has been approved. Any request for a variance shall be deemed to have been disapproved in the event of

either (a) written notice of disapproval from the Committee or (b) failure by the Committee to respond to the request for variance.

Each Owner by accepting a conveyance of any Lot or of any portion of the Properties conclusively shall be deemed to have unconditionally and irrevocably waived all claims against the Committees arising or resulting from acts or omissions pursuant to this Declaration or the By-Laws of the Association.

ARTICLE III WESTGREEN PARK HOMEOWNERS ASSOCIATION, INC.

SECTION 1. ORGANIZATION. The Declarant has caused the Association to be organized and formed as a non-profit corporation under the laws of the State of Texas. The principal purposes of the Association are the collection, expenditure, and management of the maintenance funds, enforcement of the restrictive covenants contained herein, and architectural control of the Lots in the Properties.

SECTION 2. BOARD OF DIRECTORS. The Association shall act through a Board of Directors (the "Board") consisting of a minimum of three (3) and a maximum of five (5) members. The Board shall manage the affairs of the Association as specified in this Declaration and the By-Laws of the Association.

SECTION 3. MEMBERSHIP. Every Owner of a Lot in the Properties shall be a Member of the Association. Membership shall be appurtenant to and may not be separated from ownership of any Lot which is subject to assessment by the Association.

SECTION 4. VOTING RIGHTS. The Association shall initially have two (2) classes of membership as follows:

Class A. Class A Members shall be all persons or entities who own a Lot in the Properties with the exception of the Declarant. After the Conversion Date (as hereinafter defined), the Declarant shall become a Class A Member with respect to the Lots it owns.

Class B. The Class B Member shall be the Declarant. The Class B membership shall cease and become converted to Class A membership on the Conversion Date.

Class A Members shall be entitled to one (1) vote for each Lot owned within the Properties and the Class B Member shall be entitled to three (3) votes for each Lot owned within the Properties. When two or more persons or entities hold undivided interests in any Lot, all such persons or entities shall be Members, and the vote for the Lot owned by such Members shall be exercised as they, among themselves, determine, but in no event shall more than one vote be cast with respect to each Lot in which such Members own undivided interests.

SECTION 5. CONVERSION DATE. The Conversion Date shall occur on the earlier of:

- (i) The date the total number of votes of the Class A Members equals the number of votes of the Class B Member; or
- (ii) December 31, 2010 or such earlier date as may be established by Declarant in a written instrument recorded by Declarant in the Official Public Records of Real Property of Harris County, Texas.

SECTION 6. TERMINATION OF MEMBERSHIP. The membership of a person or entity in the Association shall terminate automatically whenever such person or entity ceases to be an Owner, except that such termination shall not release or relieve any such person or entity from any liability or obligation incurred under or in any way connected with the Association or this Declaration during the period of ownership, nor impair any rights or remedies which the Association or any other Owner has with regard to such former Owner.

ARTICLE IV COVENANT FOR MAINTENANCE ASSESSMENTS

SECTION 1. CREATION OF THE LIEN AND PERSONAL OBLIGATION FOR ASSESSMENTS. The Declarant, for each Lot within the Subdivision, hereby covenants and each Owner of any Lot within the Properties, by acceptance of a deed therefor, whether or not it shall be expressed in the deed or other evidence of the conveyance, is deemed to covenant and agree to pay the Association (i) annual assessments or charges and (ii) special assessments for capital improvements, such assessments or charges to be fixed, established and collected as hereinafter provided. These assessments and charges, together with interest thereon as hereinafter provided, costs of collection, and reasonable attorney's fees, shall be a charge on the land and shall be secured by a continuing lien upon the property against which such assessments or charges are made. Each such assessment or charge, together with such interest, late charges, costs of collection, and reasonable attorney's fees shall also be and remain the personal obligation of the Owner of the particular Lot at the time the assessment or charge fell due

notwithstanding any subsequent transfer of title of such property. The personal obligation for delinquent assessments and charges shall not pass to successors in title unless expressly assumed by them. However, successors in title shall nonetheless acquire title to the land subject to the lien securing the assessments and charges.

SECTION 2. PURPOSE OF ANNUAL ASSESSMENTS. The annual assessments levied by the Association shall be used for carrying out the purposes of the Association as stated in its Articles of Incorporation, this Declaration and all other restrictive covenants instruments administered by the Association. The judgment of the Board of Directors of the Association in determining the functions to be performed by the Association, in determining the amount of annual assessments, and in the expenditure of funds shall be final and conclusive so long as its judgment is exercised in good faith. Such funds may be used to pay costs incurred with respect to all or any of the following:

- i. Operation, maintenance, repair, and improvement of the Common Area as well as fences, entryways, road esplanades, cul de sacs and easement areas within, adjacent to or in the vicinity of the Properties;
- ii. Payment of taxes and premiums for insurance coverage in connection with the Common Area and for directors and officers liability insurance;
- iii. Paying the cost of labor, equipment (including expense of leasing any equipment), material, and any associated management or supervisory services and fees required for management and supervision of the Common Area;
- iv. Paying the cost and fees of a manager or firm retained to carry out the duties of the Association or to manage the affairs and property of the Association;
- v. Maintaining or replacing any landscaping in the Common Area;
- vi. Designing, purchasing and installing any improvements to the Common Area;
- vii. Mowing and routine maintenance of the Common Area;
- viii. Removing debris from the Common Area;
- ix. Contracting for street lights in the Properties;
- x. Collecting and disposing of trash, garbage, ashes, rubbish and other similar materials;
- xi. Payment of legal fees and expenses incurred to collect assessments and enforce this Declaration;

- xii. Employing policemen or watchmen and/or a security service;
- xiii. Contracting for insect and pest control such as mosquito fogging;
- xiv. Carrying out the duties of the Board of Directors of the Association;
- xv. Creation and funding of such reserve funds as the Board of Directors of the Association deems necessary; and
- xvi. Carrying out such purposes of the Association as generally benefit the Members of the Association.

As stated hereinabove, the Association shall not be obligated to perform all of the foregoing functions or any particular function. The judgment of the Board of Directors of the Association in establishing annual assessments and in the expenditure of said funds shall be final and conclusive so long as said judgment is exercised in good faith.

SECTION 3. MAXIMUM ANNUAL ASSESSMENT. The maximum annual assessment per Lot for 2001 shall be \$750.00. The maximum annual assessment may be increased in any year by the Board of Directors by an amount not in excess of ten percent (10%) without a vote of the Members or by more than ten percent (10%) with approval by a vote of two-thirds (2/3) of each class of the Members of the Association who are voting in person or by proxy, at a meeting duly called for such purpose. The Board of Directors of the Association may fix the annual assessment at any amount not in excess of the maximum annual assessment.

SECTION 4. SPECIAL ASSESSMENTS FOR CAPITAL IMPROVEMENTS. In addition to the annual assessments authorized above, the Association may levy, in any year, a special assessment against the Lots applicable to that year only, for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, or repair or replacement of a capital improvement located upon the Common Area, including fixtures and personal property related thereto; provided, however, any special assessment must be approved by a two-thirds (2/3rds) vote of each class of the Members who are voting in person or by proxy at a meeting duly called for this purpose. Special assessments may be collected on a monthly basis at the Board's election.

SECTION 5. NOTICE AND QUORUM. Written notice of any meeting called for the purpose of taking any action authorized under Sections 3 or 4 above shall be sent to all Members not less than 30 days nor more than 60 days in advance of the meeting. At the first such meeting called, the presence of members or of proxies entitled to cast ten percent (10%) of the votes of the Association's membership shall constitute a quorum. If the required quorum is not present or represented, another meeting may be called subject to the same notice requirement, and the required quorum at the subsequent meeting shall be one-half (1/2) of the required quorum at the preceding meetings. No subsequent meeting shall be held more than 60 days following the preceding meeting.

SECTION 6. RATES OF ASSESSMENT. Both annual and special assessments on all Lots shall be fixed at uniform rates and all Lots in the Properties shall commence to bear their assessment simultaneously; provided, however, Lots owned by the Declarant or a Builder shall be assessed at fifty percent (50%) of the assessment against Lots owned by other Owners. The assessment for an individual Lot, within a calendar year, shall change as the ownership of such Lot passes from a Declarant, and the assessment for such Lot shall be prorated according to the applicable rate during each type of ownership. There shall also be no assessments on any portion of the Properties which has not been platted into Lots.

SECTION 7. DATE OF COMMENCEMENT AND DETERMINATION OF ANNUAL ASSESSMENT. The annual assessment provided for herein shall commence as to all Lots in the Properties not owned by the Declarant on the first day of the month following the conveyance of the first Lot in the Properties with a residence to an individual Owner, or on such later date as the Board determines. The assessment for such year shall be adjusted according to the number of months remaining in the calendar year and shall be due and payable thirty (30) days after notice of the assessment is sent to every Owner whose Lot is subject to assessment. On or before the 30th day of November in each year, the Board of Directors of the Association shall fix the amount of the annual assessment to be levied against each Lot in the next calendar year. Written notice of the figure at which the Board of Directors of the Association has set the annual assessment shall be sent to every Owner whose Lot is subject to the payment thereof. Each annual assessment shall be due and payable in advance on the first day of January of each calendar year; provided, however, assessments on Lots owned by the Declarant and Builders may be accrued and paid upon conveyance to an individual Owner. The Association shall, upon demand, and for reasonable charge, furnish a certificate signed by an officer or authorized representative of the Association setting forth whether the assessments on a specified Lot have been paid. A properly executed certificate of the Association as to the status of assessments on a particular Lot is binding upon the Association as of the date of its issuance.

SECTION 8. EFFECT OF NONPAYMENT OF ASSESSMENTS; REMEDIES. Any assessments or charges which are not paid when due shall be delinquent. If an assessment or charge is not paid within thirty (30) days after the due date, it shall bear interest at the rate of eighteen percent (18%) per annum or such other rate as the Board may establish from the due date until the date paid. The Association may bring an action at law against the Owner personally obligated to pay the assessment, or to foreclose the lien herein retained against the property. Interest as above specified, costs and reasonable attorney's fees incurred in any such action shall be added to the amount of such assessment or charge.

The lien in favor of the Association is created by the recordation of this Declaration, which constitutes record notice and perfection of the lien. No other recordation of a lien or notice of lien shall be or is required. By acquiring a Lot, an Owner grants to the Association a power of sale in connection with the Association's lien. By written resolution, the Board of Directors of the Association may appoint, from time to time, an officer, agent, trustee, or attorney of the Association to exercise the power of sale on behalf of the Association. The Association shall exercise its power of sale pursuant to Section 51.002 of the Texas Property Code, and any applicable revision(s), amendment(s), or recodifications thereof in effect at the time of the exercise of such power of sale. The Association has the right to foreclose its lien judicially or by nonjudicial foreclosure pursuant to the power of sale created hereby. Costs of foreclosure may be added to the amount owed by the Owner to the Association. An Owner may not petition a court to set aside a sale solely because the purchase price at the foreclosure sale was insufficient to fully satisfy the Owner's debt. The Association may bid for and purchase the Lot at the foreclosure sale utilizing funds of the Association. The Association may own, lease, encumber, exchange, sell, or convey a Lot. The purchaser at any such foreclosure sale shall be entitled to sue for recovery of possession of the Lot by an action of forcible detainer without the necessity of giving any notice to the former owner or owners of the Lot sold at foreclosure. The Owner shall have no right of redemption after or resulting from a foreclosure sale of the Association's lien. Nothing herein shall prohibit the Association from taking a deed in lieu of foreclosure or from filing suit to recover a money judgment for sums that may be secured by the lien. At any time before a nonjudicial foreclosure sale, an Owner of a Lot may avoid foreclosure by paying all amounts due the Association. Foreclosure of a tax lien attaching against a Lot under Chapter 32, Tax Code, shall not discharge the Association's lien under this paragraph for amounts becoming due to the Association after the date of foreclosure of the tax lien. No Owner may waive or otherwise escape liability for the assessments provided for in this Declaration by non-use of the Common Area or abandonment of his Lot.

SECTION 9. SUBORDINATION OF THE LIEN TO MORTGAGES. As herein above provided, the title to each Lot shall be subject to a lien securing the payment of all assessments and charges due the Association, but the lien shall be subordinate to the lien of any first mortgage. Sale or transfer of any Lot shall not affect the lien in favor of the Association provided, however, the sale or transfer of any Lot pursuant to mortgage foreclosure or any proceeding in lieu thereof shall extinguish the lien securing such assessment or charge as to payments which became due prior to such sale or transfer. No sale or transfer shall relieve such Lot or the Owner thereof from liability for any charges or assessments thereafter becoming due or from the lien thereof. In addition to the automatic subordination provided for hereinabove, the Association, in the sole discretion of its Board of Directors, may subordinate the lien securing any assessment provided for

herein to any other mortgage lien or encumbrance, subject to such limitations, if any, as the Board of Directors may determine.

SECTION 10. EXEMPT PROPERTY. All properties dedicated to, and accepted by, a local public authority and all properties owned by a charitable or non-profit organization exempt from taxation by the laws of the State of Texas shall be exempt from the assessments and charges created herein. Notwithstanding the foregoing, no Lot which is used as a residence shall be exempt from said assessments and charges.

- (c) The Association shall have the right to take such steps as are reasonably necessary to protect the Common Area against foreclosure of any such mortgage.

During initial construction of residences by Builders in the Properties, building materials may be placed or stored outside the property lines. Building materials may remain on Lots for a reasonable time, so long as the construction progresses without undue delay after which time these materials shall either be removed from the Lot or stored in a suitable enclosure on the Lot. Vacant Lots shall not be used as dumping grounds for rubbish, trash, rubble, or soil, except that the Declarant may designate fill areas into which materials specified by Declarant may be placed.

SECTION 9. SIGNS. Except for one (1) sign of not more than five (5) feet square advertising a residence on a Lot for sale or rent, no signs, billboards, posters, or

advertising devices of any kind shall be permitted on any Lot without the prior written consent of the Board. In addition, the Declarant and the Association shall have the right to erect identifying signs at each entrance to the subdivisions within the Properties.

SECTION 10. TRAFFIC SIGHT AREAS. No fence, wall, hedge, or shrub planting which obstructs sight lines at elevations between two and six feet above the Street shall be permitted to remain on any corner Lot within fifteen (15) feet of the point formed by the intersection of the building set back lines of such Lot.

SECTION 11. EXTERIOR ANTENNAE. No television, radio, or other electronic towers, aerials, antennae, satellite dishes or device of any type for the reception or transmission of radio or television broadcasts or other means of communication shall be erected, constructed, placed or permitted to remain on any Lot or upon any improvements thereon, except that this prohibition shall not apply to those antennae specifically covered by the regulations promulgated under the Telecommunications Act of 1996, as amended from time to time. The Board is empowered to adopt rules governing the types of antennae that are permissible in the Properties and to establish reasonable, non-discriminatory restrictions relating to safety, location and maintenance of antennae. To the extent that receipt of an acceptable signal would not be impaired, an antenna permissible pursuant to the rules of the Board may only be installed in a side or rear yard location, not visible from a Street, and integrated with the dwelling and surrounding landscape. Antennae shall be installed in compliance with all state and local laws and regulations.

SECTION 12. PLAYGROUND AND SPORTS EQUIPMENT. All playground equipment such as play houses and swing sets shall be situated, concealed and shielded so as not to be visible from any Street. Basketball goals attached to the residence or mounted on a pole in the ground shall not be located on a Lot so as to be visible from the street in front of the residence or from the side street on corner Lots. Basketball goals mounted on moveable platforms may be temporarily located in the front of a residence while in use as long as they are moved to the garage or rear of the residence when not in use.

SECTION 13. OUTSIDE LIGHTING. Outside lighting fixtures shall be placed so as to illuminate only the yard of the applicable Lot and so as not to affect or reflect into surrounding residences or yards. No mercury vapor, sodium or halogen light shall be installed on any Lot which is visible from any Street unless otherwise approved by the Modifications Committee.

SECTION 14. AIR CONDITIONERS. No window or wall type air conditioners shall be permitted in any improvements within the Properties, but the Declarant and Builders may install and use such air conditioners in sales offices and construction offices within the

Properties, provided such air conditioners are removed when such facilities cease to be used.

SECTION 15. PRIVATE UTILITY LINES. All electrical, telephone, and other utility lines and facilities which are located on a Lot and are not owned by a governmental entity or a public utility company shall be installed underground unless otherwise approved in writing by the New Construction Committee.

SECTION 16. ENFORCEMENT OF LOT MAINTENANCE. Each Owner of a Lot shall at all times be obligated to maintain his property and all improvements thereupon (and the area between the boundary lines of adjacent property and adjacent Streets if such area is not otherwise maintained), so as to keep same in a clean, sightly and safe condition and to conform with any specific standards which the Board of Directors may adopt by resolution for the Properties. An Owner's maintenance obligation shall include, but not be limited to: the maintenance of all visible exterior surfaces of all buildings and other improvements; the prompt removal of all paper, debris, and refuse; the removal and replacement of dead and diseased trees and plantings; the removal of all snow and ice from paved areas; the repair, replacement, cleaning and relamping of all signs and lighting fixtures; the mowing, watering, fertilizing, weeding, replanting and replacing of all approved landscaping; and, during construction, the cleaning of dirt, construction debris and other construction-related refuse from Streets and storm drains and inlets.

In the event of the violation of any covenant herein by any Owner or occupant of any Lot and the continuance of such violation after five (5) days written notice thereof, or in the event the Owner or occupant has not proceeded with due diligence to complete appropriate repairs and maintenance after such notice, the Association shall have the right (but not the obligation), through its agents or employees, to enter upon such Lot and to secure compliance with these restrictions and restore such Lot to a neat, attractive, healthful and sanitary condition. The Association may render a statement of charge to the Owner or occupant of such Lot for the cost of such work. The Owner or occupant agrees by the purchase or occupation of the Lot to pay such statement immediately upon receipt. In the event of the failure to pay for such work, the amount of such statement may be added to the annual maintenance charge provided for herein and shall be secured by a lien on the Lot in the same manner as such annual charge. The Association, or its agents and employees shall not be liable, and are hereby expressly relieved from any liability, for trespass or other tort in connection with the performance of the maintenance and other work authorized herein.

SECTION 17. DAMAGE AND DESTRUCTION OF IMPROVEMENTS. Any buildings or improvements within the Properties which are damaged or partially destroyed by fire, storm or any other means shall be repaired within a reasonable period of time not to exceed sixty (60) days from the occurrence of such damage and the Lot restored to a clean, orderly and attractive condition. Any buildings or improvements which are damaged or destroyed to the extent that repairs are not practicable, shall be demolished and

removed within a reasonable period of time not to exceed ninety days from the occurrence of such damage and the Lot restored to a clean and attractive condition.

No utility company or authorized political subdivision using the easements referred to herein shall be liable for any damages done by them or their assigns, agents, employees or servants, to fences, shrubbery, trees, flowers, improvements or other property of the Owner situated on the land covered by such easements as a result of construction, maintenance or repair work conducted by such parties or their assigns, agents, employees or servants.

SECTION 2. EASEMENTS FOR ASSOCIATION. There is hereby granted a general right and easement to the Association, its directors, officers, agents, and employees, including, but not limited to, any manager employed by the Association and any employees of such manager, to enter upon any Lot or any portion thereof in the performance of their respective duties. SECTION 3. MAINTENANCE EASEMENT. There is granted to the Association, its successors and assigns, a five-foot wide construction and maintenance easement adjacent and parallel to each of the rear and side lot lines of all Lots that abut a landscape reserve, perimeter boundary of the Properties or Street where the Declarant has constructed or intends to construct a fence or wall, together with the right of ingress and egress for the purposes, without liability to the Owner for damages arising from the use of the easement, of constructing, repairing, and/or reconstructing the fence or wall. The easement area shall remain unobstructed of any structures or plantings that would prohibit access to the fence or wall for construction and maintenance purposes.

SECTION 4. UNDERGROUND ELECTRICAL DISTRIBUTION SYSTEM. An underground electric distribution system will be installed within each subdivision which will be designated an Underground Residential Subdivision and which underground service area shall serve all Lots in the subdivision. The Owner of each Lot in the Underground Residential Subdivision shall, at his own cost, furnish, install, own, and maintain (all in accordance with the requirements of local governing authorities and the National Electric Code) the underground service cable and appurtenances from the point of the electric company's metering on customer's structure to the point of attachment at such company's installed transformers or energized secondary junction boxes, such point of attachment to be made available by the electric company at a point designated by such company at the property line of each Lot. The electric company furnishing service shall make the

For so long as underground service is maintained in the Underground Residential Subdivision, the electric service to each Lot therein shall be underground, uniform in character and exclusively of the type known as single phase, 120/240 volt, three wire, 60 cycle, alternating current.

Easements for the underground service may be crossed by driveways and walkways provided that the Builder or Owner makes prior arrangements with the utility company furnishing electric service and provides and installs the necessary electric conduit of approved type and size under such driveways or walkways prior to construction thereof. Such easement for the underground service shall be kept clear of all other improvements, including buildings, patios, or other pavings, and neither Builder nor any utility company using the easements shall be liable for any damage done by either of them or their assigns, their agents, employees, or servants, to shrubbery, trees, or improvements (other than crossing driveways or walkways provided the conduit has been installed as outlined above) of the Owner and located on the land covered by said easements.

ARTICLE IX ENFORCEMENT

The Association or any Owner shall have the right to enforce, by any proceeding at law or in equity, the covenants, conditions, restrictions, and liens contained herein. Failure of the Association or any Owner to enforce any of the provisions herein contained shall in no event be deemed a waiver of the right to do so thereafter.

SECTION 1. TERM. These covenants shall run with the land and shall be binding upon all parties and all persons claiming under until December 31, 2039, after which time said covenants shall be automatically extended for successive periods of ten (10) years each, unless an instrument signed by the Owners of a majority of the Lots covered by this Declaration has been recorded, agreeing to change or terminate the covenants herein, in whole or in part.

SECTION 2. AMENDMENT.

A. By Declarant. This Declaration may be amended unilaterally at any time and from time to time by the Declarant (a) if such amendment is necessary to bring any provision hereof into compliance with any applicable governmental statute, rule, or

regulation or judicial determination which shall be in conflict therewith; (b) if such amendment is required by an institutional or governmental lender or purchaser of mortgage loans, including, for example, the Federal National Mortgage Association or Federal Home Loan Mortgage Corporation, to enable such lender or purchaser to make or purchase mortgage loans on the property subject to this Declaration; or (c) if such amendment is necessary to enable any governmental agency or reputable private insurance company to insure mortgage loans on the property subject to this Declaration.

B. By Owners. This Declaration may be amended at any time by an instrument executed by the Owners of two-thirds (2/3rds) of the Lots covered by this Declaration. Any such amendment shall become effective when an instrument is filed for record in the Official Public Records of Real Property of Harris County, Texas, with the signatures of the requisite number of the Owners of the Lots.

SECTION 3. SEVERABILITY. Invalidation of any one of these covenants by judgment or other court order shall in no wise affect any other provisions, which shall remain in full force and effect except as to any terms and provisions which are invalidated.

The Declarant shall have the right to subdivide any reserve tracts contained within the Properties into single family residential lots, by recorded plat or in any lawful manner. Lots created by the subdivision of a reserve tract shall be subject to these restrictions as if such Lots were originally platted as lots.

SECTION 7. ANNEXATION.

A. By Declarant. Subject to the provisions of Section 10 of this Article X the Declarant shall have the unilateral right, privilege, and option at any time to annex additional property to the jurisdiction of the Association by filing for record a declaration of annexation in respect to the property being annexed which subjects such property to all of the provisions of this Declaration. Any such annexation by the Declarant shall not require approval by the Association or the Members and shall be effective upon the filing for record of such declaration. The rights reserved by Declarant herein to annex additional land shall not and shall not be implied or construed so as to impose any obligation upon a Declarant to annex additional land it owns.

B. By Other Owners. Upon request by an owner of land other than the Declarant, the Association may annex real property to its jurisdiction. Any such annexation shall require the affirmative vote of Members representing a majority of the Association's votes present at a meeting duly called for such purpose and, as long as the Declarant owns any portion of the Properties, the written consent of such Declarant. Annexation of land not owned by a Declarant shall be accomplished by filing of record in the public records of Harris County, Texas, an annexation agreement describing the property being annexed. Such annexation agreement shall be signed by the President and the Secretary of the Association, by the owner of the property being annexed, and, as long as a Declarant owns any portion of the Properties, by the Declarant.

Such deannexation shall be accomplished by the execution and filing for record of an instrument setting forth a description of the land being deannexed.

The Association may be merged with another non-profit corporation or dissolved only with (i) the assent given in writing by not less than two-thirds (2/3's) of the Class A Members and (ii) the Declarant, as long as it owns any Lots within the Properties. In the event of a merger of the Association with another non-profit corporation organized for the same purposes, the Association's properties, rights, and obligations may be transferred to the surviving association, or alternatively, the properties, rights and obligations of the other association may be added to the properties, rights and obligations of the Association as a surviving corporation pursuant to a merger. The surviving association shall administer the covenants, conditions and restrictions established by this Declaration, together with the covenants, conditions and restrictions applicable to the properties of the other association as one scheme. In the event of the dissolution of the Association, the assets of the Association shall be dedicated to an appropriate public agency to be used for purposes similar to those for which the Association was created. In the event that such dedication is refused acceptance, such assets shall be granted, conveyed and assigned to any non-profit corporation, association, trust or other organization to be devoted to such similar purposes.
